

I AM. . .

EL ROI:
STRONG ONE WHO SEES

I. Welcome and Worship, Holy God:

Playlists: Just As I AM Instrumentals

I AM . . . El Roi

Worship while focusing on our great God: He is strong and He sees you right where you are. Particularly thank Him that He will reveal Himself mightily today in whispering this truth to your heart.

III. Ponder and Proclaim:

1. If God sees *everything* what implication should this truth have on our prayer lives?

To accept the beautiful truth of today's name/attribute of God, we must revisit some very dark and difficult times in our lives. Please spend time thinking quietly about the following questions, even if you do not share the answers out loud:

2. Has there ever been a time in your life when you felt that no one saw you?

3. What is one time in your life when you felt completely alone?

Share these stories as the group is so led, but *safety of sharing is paramount*.

Again, please cherish and protect each other's life stories.

In Pray and Praise:
The Dream, p. 40

IV. Pray and Praise:

Read *The Dream*, p. 40, to the group. Close your eyes and hold your hands on your lap, palms up, physically and figuratively open to receive what the Lord puts in them. Imagine *The Dream* happening to you. Then ask Jesus: "Lord, please reveal to me the truth of that lonely time: Where were You?" Then listen to His imprint/voice upon your heart . . . allow history to be rewritten, or told, at least, from the *One True* perspective. Again, only as you are so led, share the truth about what God revealed to you. Close in prayerful praise - - THEN and NOW: *You are safe, You are loved, You are Free!*

THE DREAM

In my dream,
a sweet little girl of about four or five years old
came up to me as she saw me weeping on a park bench.

She climbed up on my lap - -
took my face in her hands, looked into my eyes, and quietly said:

**"Just look into the eyes of the One Who loves you:
Nothing else matters.**

*You are loved.
You are safe.
You are free.*

**YOU ARE LOVED.
Don't look at anything else.
Let it all fade away . . .
If God is for you - who can be against you?
REALLY?
Just look into the eyes of Love - -and live."**
